Please make sure to dress for the weather. It is windy at times and everyone should have neck warmers (not scarves)

We only have 16 spots available. Cost—\$45/day for children that need rentals and \$40/day for those who have their own equipment.

During the days at the Club numerous activities will be going on. Children will rotate from games room, computers, crafts, gym, contests, challenges & outdoor activities. Occasionally we will put the inflatables up and have cooking programs. Every child needs to bring snacks, a water bottle, a peanut free lunch and dress appropriately for the weather. Indoor shoes are optional but please make sure they are labeled.
