Notes for Parents

Skiing & Snowboarding will take place at Loch Lomond on **Wednesday & Friday** for members **7 & over** that are interested. These are full days. You will only pay for the Outing. You do not have to pay for Full Day and Outing Costs. Price includes lift ticket, lesson, rentals, transportation and supervision. We will be leaving the Club at 9am to arrive for lessons at 10. All children must be at the Club prior to 8:45 as we need to go over rules.

We will be returning at 4:30pm. Please make sure to dress for the weather. It is windy at times and everyone should have neck warmers (not scarves)

Please wear good mitts. Wool mittens get really wet & cold.

If you have your own helmet that fits properly please bring it as Loch Lomond only has certain sizes available. Back up plans will be made in case of weather conditions.

We only have 16 spots available.

Cost—\$40/day for children with or without rentals and \$30/day for those who have a Loch Lomond membership.
